It can't be
that dream——

Why

Oh, what fortune...
You are still alive.

Put an end to me
huff
ugh!
Why do I live...?
That goes without saying...
What is left of my life is but a few grains of sand...
...Does anyone know?
Does someone know the name of this arrogant rag?
Who are you?
You dare to order the "Queen"...

Please, do tell me.
What's this? Ahaha!
How terribly rude of me,
Your Majesty!
Oh my... this is quite a predica-ment!

Look!
I put all my heart into making it.
I will give His Majesty this to wear upon his head.
Now then...
Come now, Lords! Bow down to him!
What's this? Ahaha!
It suits you so well!
It is the coveted "crown"
His Majesty staked his life upon
.....
Did you say something?
GRAB!

before you die, York?
Won't you let me entertain myself some more
Now paw at the ground!
SWIP
Guh!
Gnash your teeth!
STAB!
STAB!
If you don't show me the least bit of shame,
my anger will not be calmed.
I let you live to shame you
and watch you cry.

I have heard the talk.
...Is that hope the source of your nobility?
heff
the wings of revenge will soar again from my ashes...
...Even if I die,

Lancaster ...
and the one you especially adore, no?
the simple-minded George,
The philandering Edward,
That small child —
the youngest, who is the finest...

I'm certain you long to see him, do you not?
I am also the parent of a child, so I understand how much you are suffering.
stroke
I have something I wanted to give to His Majesty as he teeters on the edge of death
Here.
Hmm?
A plan?
.....
What are you planning ...?

Look, York.
This rag is dyed with the blood wrung from the heart of your beloved youngest child.
SHFF
Now then...

wipe your tears.

Augh

Pitiful York!
Ahh ...
I wanted to see your handsome visage twisted in despair!
That's it!
That's the face!!
I am satisfied.
Now then...

Despair
and die!

Wh-what's wrong?

King Henry has already been moved to another location

Your Excellency, Lord Warwick!
It is a lost cause!
Rear guard, head to the south!
I will continue to accompany the main force
We must protect London!

Hooray!
It is just recompense for your service!
Soldiers, take what you want!
...Well done.
My Queen,
I have information that His Majesty is imprisoned nearby.
...If this continues, we can march all the way to the capital...

Next time,

I will wipe York's head
with the real blood of his son!

This is the Lancaster's private house.

We are temporarily hiding here until the occupying force merges with my mother's army.
What is this place ...?
Why are you here...?
Do you mean "The Queen's army"?

not know what has happened?
The Lancaster's advance continues?
Have you not been informed of your father's —
Do you ...
How far?
What about my father?
Did something happen to my father?!
.....
!!
DOM!

Your father is now...
in the town of York.
It is too far for you to go there alone ... You can go if I escort you
and if you stay as near to me as you are now.
.....
Why must I go with the enemy's army?
I'll go with my brother and Mother to meet father.
Your mother took your brother and fled already,
Richard.
... Really?
Didn't you commit some sort of crime?
You were locked up in that place, after all.

You were abandoned.
This is not the first time
I have been abandoned.

Why are you stopping me?
I was abandoned, so I have no value as a hostage.
If you leave, you'll immediately fall into the hands of our army.
GRAB!
Oh, hey, wait!
IT'S... IT'S PROBABLY
BECAUSE YOU ARE A GIRL!
Uh, that's...
.....
Huh?
I-
I don't understand the reason either, but...

Father

THAT'S WHY -
Dammit!
Which way should I go?
WHICH SIDE DOES THE BATTLE FAVOR?
IS THE BATTLE BEGINNING NEARBY?
Hey!
I HAVEN'T A MOMENT TO LOSE!
What should I do?
TO REACH MY FATHER'S SIDE, I MUST -
Think, Richard!
